

you are what you create.

Submission Guidelines for Videos

You would like to submit new videos? We are looking forward to it! To ensure a smooth submission workflow please find all the information you need within this document.

If you are sending videos to StockFood for the first time please send an email with your contact details and a link to your website to photographer@stockfood.com.

If you don't have a FTP account yet, we will be pleased to set it up for you. Alternatively, you can send us a CD or DVD, an USB stick or an external hard drive. You can find our contact details at the end of this document.

Settings

Please submit only RAW or mov files (without any changes to the original codec)

- Format: Quicktime (.mov)
- Resolution: 1920 x 1080 (Full HD)
- Frame rate: 25
- Aspect ratio: 16:9

If the settings of your already existing footage were different, please don't change them.

Further information

- Short file names – no more than 12 characters. No spaces or special characters such as ä, ö, è, é, &, /, #, etc.
- Exact description of the content
- Model and Property Release (if relevant/available)
